### SERVICES

1. Move one (1) piano from the pickup address to one of the climate controlled facilities owned by Modern Piano Moving.
2. Piano to be stored in a climate controlled facility at all times while in the care of Modern Piano Moving.
3. Upon notification from customer, piano will be removed from storage and delivered to the requested address.
  - a. Additional charges may apply based on original delivery estimate and actual delivery location
  - b. Number of steps, turns, and tractor trailer access at the final destination will be reviewed at the time of delivery request and charged accordingly.
  - c. Occasionally, we are asked to return a piano to the original location or city. Due to the nature of our business as a long-distance mover, we have storage facilities located in several areas of the country. Pianos are generally stored closest to their ultimate destination. Therefore, we are unable to issue refunds when an instrument is returned to the original location and such moves may incur additional fees dependent upon mileage from their current facility.

### ADDITIONAL SERVICES

  - a. Upright pianos                      \$ 75
  - b. Grand pianos up to 7'                      \$150
  - c. Grand pianos 7'1" and over                      \$250
2. If photos are requested during the time the piano is set up, they will be charged at a rate of \$25 for up to six (6), taken on a standard cell phone. Please keep in mind that we are piano movers and the photos are not going to be of a quality for auctions either live or online.

**PAYMENT TERMS**

1. Payment at pickup of the piano shall include:
  - a. At least half of the total move cost
  - b. First month's storage fee
  - c. A one-time set up fee of \$50
2. Storage payments will be charged quarterly (January, April, July, October) to the credit card on file in our system unless other arrangements have been made.
3. If a piano is removed from storage and delivered mid-quarter, Modern Piano Moving will pro-rate the quarterly fee on a monthly basis only.

**DEFAULT**

1. If storage account is delinquent, Modern Piano Moving may withhold property until payment is made in full.
2. After 120 consecutive days of non-payment on the account, the property will be deemed "abandoned or unclaimed property". Property may be liquidated or sold to pay for any outstanding storage fees or other charges incurred in the attempt to collect at the company's discretion.
3. Any collection and/or attorney's fees to be paid by client.
